

BS-HCA 3-YR Course Rotation

Below is the 3-year course rotation for courses offered as part of the [Bachelor of Science in Healthcare Administration](#) (BS-HCA) program in the Department of Healthcare Administration (HCA). The schedule below should be used as a reference as to when classes are expected to be offered. While the department will do its best to meet the schedules outlined below, course offerings are subject to enrollment and faculty availability. Students are encouraged to take courses during their fall or spring schedules as summer courses may be subject to cancellation due to low enrollment. To assure availability of classes, make sure you contact your adviser each semester to update your degree worksheet. Please see course notations at the bottom of the schedule.
