## Expressive Views: Spring Dance Concert

Within the Bachelor of Fine Arts in Dance, Performance, and Choreography programs, students are required to choreograph two BFA Project works. This allows each student the opportunity to explore the creative process, develop their own expressive choreographic voice, and offers them work that satisfies the principles of artistically viable dance works. This Spring, 14

choreographers will present Expressive Views, a 90 minute nonstop concert of choreography that explores 14 unique glimpses into the world. Expressive Views will be presented in Dance Studio One, HFA 111, April 27-30, 2017.
