My state offices are currently offering internship opportunities. An internship with a U.S. Senate office provides an unrivaled opportunity to gain firsthand knowledge of the inner workings of the Senate. Senate interns benefit from an invaluable experience with the federal government that enhances future educational and career pursuits. Most importantly, an internship offers the opportunity to make a difference and contribute to your community in a truly unique way.

Intern duties and responsibilities include

- Answering phones and interacting with constituents
- Taking and tracking legislative opinions
- Entering data
- Doing legislative research
- Working with staff in coordinating events

Internship hours are flexible and can be adapted to your school schedule.

If you are interested in an internship opportunity, contact my Las Vegas Intern Coordinator, Christy Guedry, by phone, fax, mail, or e-mail.
