Division of Wind Band Scholarship Auditions
You need not be a music major to be eligible for Division of Wind Band scholarship funds. In order to receive scholarship money, you must be enrolled in two band ensembles as specified by wind band area faculty.

Audition Requirements
UNLV holds scholarship auditions every year; in December and January (all instruments/voice) and in February (voice students only). All Division of Wind Band Studies scholarship auditions will be of recorded video submitted by the student. This can be accomplished by completing the audition information form and attaching a video or video link on the audition page for the UNLV School of Music. You do not need to re-audition if you are a returning student. If you are a new student interested in auditioning for scholarship awards, prepare audition material according to the audition requirements as listed on the School of Music website. Please refer to the audition link on the school of music webpage: https://www.unlv.edu/music/admissions/auditions
