Summer Tutoring to K-12 students

In collaboration with Army Education Outreach Program (AEOP), UNLV is going to conduct UNITE program to provide pre-collegiate summer experience for talented high school students from groups historically underrepresented and underserved in Science, Technology, Engineering, and Mathematics (STEM).

- Make students familiar with research in STEM fields.
- Provide basic programming background to the students along with some practical knowledge.

Requirements

- Fluent in C/C++ Programming
- Knowledge in Java programming, a plus
- Past experiences in tutoring, preferred
- Able to handle and guide large group of students

Program Details

Duration: 4 weeks (June-2016)
Location: UNLV
Hours: Around 3-4 hrs/day
Paid: Yes ($15 - $20 per hour)
