CIVIL DESIGNER

Posting ID: EM19712455
Company Website: https://www.gcwengineering.com/
Company: GCW, Inc.
Work Location: Las Vegas, NV
Position Type: Full-Time
Salary: DOE
College Major(s): Civil Engineering (CEE)
College Level(s): Alumni

OVERVIEW

GCW is a professional engineering/surveying consulting firm incorporated in 1969. In our 50 years, GCW has been a leading provider of a complete range of services related to civil engineering (traffic and transportation engineering, land development, airport design, water/wastewater, hydraulics, flood control), structural engineering, and land surveying.

Roles and Responsibilities
As a Transportation Designer at GCW, you will have the opportunity to create and provide design ideas and solutions for a variety of projects, both in the private and public sector, related to roadway. Collaborate with engineers and other designer/technicians to design and prepare plans and calculations for engineering projects. Join a team dedicated to developing and empowering its people.

Education and Qualifications
Bachelor of Science degree in an appropriate engineering discipline and at least three (3) years of experience using AutoCAD Civil 3D software. Proficiency in AutoCAD Civil 3D and the ability to effectively work with others is necessary. Design skills including Grading, Corridors, Pipe Networks, Profiles, and Super elevations are required.

Preferred Skills
Proficiency with Bentley software applications is preferred.
