**Company:** LVVWD  
**Work Location:** Alfred Merritt Smith Water Treatment Facility

**Position Type:** Part-Time  
**Salary:** $13/hr

**College Major(s):** Civil Engineering (CEE)  
**College Level(s):** Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior, Graduate Student

### OVERVIEW

We are a not-for-profit utility that began providing water to the Las Vegas Valley in 1954. We helped build the city's water delivery system and now provide water to more than 1 million people in Southern Nevada.

### Roles and Responsibilities

INTRODUCTION: Human Resources will screen applications and materials requested in supplemental questionnaire. Candidates meeting the eligibility requirements will be forwarded to the hiring department for further review and to determine who will be interviewed. The successful candidate will be required to pass a drug screen and background check.

GENERAL PURPOSE: Assist with field engineer reviews, construction management activities, document management, and other activities in support of completing major water projects. This position will be assigned to the SNWA Low Lake Level Pumping Station project.

### Education and Qualifications

ELIGIBILITY REQUIREMENTS: Current enrollment as a junior or higher within an undergraduate degree program related to Civil Engineering.

- Current enrollment with a minimum of 9 credit hours per semester
- Available to work up to twenty-five hours per week Monday through Friday
- A Valid Driver’s license
- US citizenship or legal right to work in the US, including authorization to work off campus

### How to Apply

Please submit resumes to: Sara.Danielson@lvvwd.com
