CYBER SECURITY INTERN

Posting ID: IN181214DA
Company Website: https://www.caesars.com/
Company: Caesars Entertainment
Work Location: Las Vegas, NV
Position Type: Full-Time
Salary: DOE
College Major(s): Electrical/Computer Engineering (EE/CpE), Computer Science (CS)
College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

OVERVIEW

The Cybersecurity Intern will learn aspects of Cybersecurity while shadowing and being mentored by the three Cybersecurity teams responsible for Risk & Compliance, Governance & Policy and Security Operations.

The focus of the intern’s responsibilities will be vulnerability management, idea/project risk assessments, security awareness and training activities, and security operations activities. This will allow the intern to gain the knowledge of a Cybersecurity analyst while also taking the lead on individual projects as assigned by Cybersecurity analysts.

The end goal of this internship program is to provide a valuable education and experience of Cybersecurity.

Roles and Responsibilities

Primary Duties:
1. Perform vulnerability scans and produce reports.
2. Conduct risk assessments on new ideas and projects.
3. Conduct security awareness and training materials and educational materials.
5. Monitor and respond to security operations system notifications.

General Responsibilities:
1. Learn vulnerability management tools and analysis.
2. Assist with research and analysis of ideas and projects for Cybersecurity risk.
3. Create security awareness and training materials and reports.
4. Organize and create materials for Cybersecurity seminar.
5. Provide input to improve marketing efforts.
6. Monitor Sumologic SIEM and other security operations tools.

Education and Qualifications

● Must be a College Junior or Senior.
● Must be studying Computer Science, Information Systems, or related field.
