**OVERVIEW**

Statewide Fire Protection is a division of Western States Fire Protection. Western States Fire Protection (WSFP) and its subsidiaries are more than a company. We are a family of unique individuals committed to our purpose, our values, and each other and we believe in making our own luck, creating our own opportunities. WSFP accomplishes this by constantly innovating, finding ways to create new value and seizing new opportunities.

Protecting lives and property since 1985, WSFP and its subsidiaries specializes in Life Safety Systems. Our values are simple: integrity, quality, safety, professionalism, commitment.
