

WEB PRODUCTION DESIGN INTERNSHIP

POSITION DESCRIPTION

goHUNT is looking for the best and brightest design intern to join our growing team. The primary role is to provide creative and general support in a fast-moving technology company. Candidates in this role should demonstrate a passion for design and technology, as well as the ability to learn new skills and tools. The design intern must be able to operate in a fast-paced, dynamic environment and demonstrate a high degree of task ownership and accountability. They will handle real projects with real timelines.

POTENTIAL RESPONSIBILITIES

- Produce images for various digital channels, including eblasts, web banners, social images, etc.
- Photography post-processing.
- Create print-ready files for physical campaigns.
- Develop concepts and refine your production skills.
- Perform moderate data entry.
- Assist with special assignments.
- Participate in team brainstorming and strategy sessions.
- Perform website testing and quality assurance.

CANDIDATE PREFERRED REQUIREMENTS

- Enrolled in—or recently graduated (within the past year) from—an undergraduate institution.
- High skill level in Photoshop, Illustrator, and InDesign.
- Passion for creating innovative designs for web and print campaigns.
- Interest in new web and digital technologies.
- General web production skills/tools such as HTML/CSS.
- Experience in photographic post-processing.
- Proven ability to multitask while maintaining attention to detail.
- Excellent written and verbal communication skills.
- Basic understanding of office tools (email, word processing, spreadsheets, etc.)

POSITION DETAILS

- Schedule: Approximately 20 hours per week (flexible).
- Compensation: Stipend + additional incentives (to be discussed during interview process).
- Transportation required to and from office.
- NDA and Non-Compete required.
- Authorization to work in the United States.

QUALIFIED APPLICANTS

Please submit portfolio and resume/CV to Ben Stoner at stoner@goHUNT.com.
