**OVERVIEW**

Human Resources will screen applications and materials requested in supplemental questionnaire. Candidates meeting the eligibility requirements will be forwarded to the hiring department for further review and to determine who will be interviewed. The successful candidate will be required to pass a drug screen and background check.

**Roles and Responsibilities**
The position will provide support for water quality and treatment projects.

**Education and Qualifications**
- Current enrollment as a senior or higher within an undergraduate degree or graduate program related to Civil Engineering or Environmental Engineering.
- Current enrollment in a local college or local university.
- Current enrollment with a minimum of 9 credit hours per semester.
- Available to work up to twenty-five hours per week Sunday through Saturday.
- A Valid Driver’s license.
- US citizenship or legal right to work in the US, including authorization to work off campus.

**How to Apply**
All interested applicants should send their resume, unofficial transcript, and cover letter to Lyndsi Vega at lyndsi.vega@lvwvd.com to be considered for the position.
