INTERN-WATER RESOURCES

Posting ID: IN19824525

Company: R0000793, Las Vegas Valley Water District

Company Website: https://www.lvvwd.com/

Position Type: Part-Time

Work Location: Molasky Corporate Center, 100 City Parkway, Las Vegas

College Major(s): Civil Engineering (CEE)

Salary: $13-$17 *Based on education level

College Level(s): Undergraduate-Junior

OVERVIEW

Human Resources will screen applications and materials requested in supplemental questionnaire. Candidates meeting the eligibility requirements will be forwarded to the hiring department for further review and to determine who will be interviewed. The successful candidate will be required to pass a drug screen and background check.

Roles and Responsibilities
Water Resources

Education and Qualifications
Current enrollment Junior or higher, within an undergraduate degree program related to Hydrology, Geology, Civil Engineer, or a closely related field.
• Current enrollment with a minimum of 9 credit hours per semester

Preferred Skills
This position will assist professional hydrologists in field data collection activities, the preparation of equipment and vehicles for field use, and the maintenance, and organization of field equipment. Additional assignments may involve, assisting professional hydrologists with data compilation, reduction, and review; construction of spreadsheets and or databases; and quality assurance checks of both field and report data. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this class.
