GRADUATE INTERN- WATER QUALITY AND TREATMENT

Posting ID: I010617

Company: Las Vegas Valley Water District

Company Website: https://www.lvvwd.com/

Work Location: River Mountains Water Treatment Facility- Henderson

Position Type: Part-Time

Salary: Based on education

College Major(s): Civil Engineering (CEE)

College Level(s): Graduate Student

OVERVIEW

We are a not-for-profit utility that began providing water to the Las Vegas Valley in 1954. We helped build the city's water delivery system and now provide water to more than 1 million people in Southern Nevada.

Roles and Responsibilities

Provide support for water quality and treatment projects.

Education and Qualifications

- Current enrollment within a Graduate degree program related to Civil or Environmental Engineering.
- Current enrollment with a minimum of three credit hours per semester or actively engaged in research leading to a graduate degree.
- Available to work up to twenty-five hours per week Monday through Thursday.
- US citizenship or legal right to work in the US, including authorization to work off campus.
- A valid driver’s license and the ability to maintain insurability under the Water District Vehicle Insurance Policy.

Preferred Skills

Current enrollment within a Graduate degree program related to Civil or Environmental Engineering.
