INVENTORY CONTROL

Posting ID: IN1802239B
Company Website: http://www.jensenprecast.com
Company: Jensen Precast
Work Location: North Las Vegas
Position Type: Part-Time
Salary: $13
College Major(s): Electrical/Computer Engineering (EE/CpE), Computer Science (CS)
College Level(s): Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

OVERVIEW

Jensen Precast is seeking an Inventory Control Intern for a long term internship opportunity. Jensen Precast is among the largest independently owned precast concrete companies in the United States. We design and manufacture standard and custom precast concrete products to meet large-scale infrastructure demands for highway construction, retaining walls, electric and gas utility, telecommunications, water, on-site wastewater, and sewage applications.

Roles and Responsibilities
This role will be responsible for assisting the Inventory Control Manager in ongoing analysis of work and purchase orders, inventory of materials, and quality of goods being received. The role has flexibility with hours and days of the week.

Education and Qualifications
Knowledge, Skills, and Abilities:
Computer literate with excel experience and math skills
Purchasing order follow up - preferred
Cycle counts and research inventory discrepancies - preferred

Preferred Skills
Prior industrial/manufacturing work experience a plus
