OVERVIEW

The Computer Science department is looking for solid undergraduate students to fill PAID lab monitor positions for CS 135. There are multiple lab sections, and each lab section meets once per week for 50 mins.

Roles and Responsibilities
Lab monitors act as guides through each lab lesson, field questions by students, and grade lab assignments. Lab monitors can take more than one lab section up to 10 hours per week at $15 per hour.

Education and Qualifications
Successfully completed CS 302; 3.0 GPA or higher; able to take two or more lab sections.

Preferred Skills
Applicants should be able to communicate effectively, grade programming assignments, and assist students in lab exercises.

How to Apply
Please email Guymon Hall at guymon.hall@unlv.edu
