Company: PABCO Gypsum 
Work Location: Las Vegas 
Position Type: Summer Internship 
Salary: DOE 
College Major(s): Mechanical Engineering 
College Level(s): Any 

OVERVIEW

PABCO® Gypsum, a division of PABCO® Building Products, has provided quality gypsum board products and service for over 35 years. PABCO® Gypsum supplies a complete line of gypsum products for commercial and residential construction.

Our Las Vegas, NV location is currently accepting resumes for a Mechanical Engineering Intern to work on a variety of projects in the manufacturing plant. This position will be full time for the summer season and will be a paid internship.

Qualifications:
Currently pursuing a degree in Mechanical Engineering with a strong desire to learn and gain experience in the field of manufacturing.

Must have knowledge of CAD software (preferably Auto CAD or Solid Works) to assist with updating or creating plant drawings.

Good reading, writing and mathematical skills.

Ability to communicate effectively.

Knowledge of MS Office applications such as Word, Excel, and Outlook and able to operate a personal computer and other various standard office machines and equipment necessary to complete duties.
