OVERVIEW

College Tutors is the nation’s most complete resource for customized tutoring services, offering a complete set of personalized one-on-one tutoring for Middle School and High School students! We are searching for Role-Model tutors who specialize in Math, Reading, Writing, and Sciences.

Roles and Responsibilities

Tutoring subjects with a customized approach to each student. Subjects include expert knowledge in any of the following category; Math (Algebra I-III, Geometry, Trigonometry, Calculus, Statistics, etc.), Sciences (Physics, Chemistry, Biology), Reading and Writing (reading comprehension, essay writing). Assist students with homework help, study skills, organization and time management. Support in building student's skill set and acting as a role model.

Education and Qualifications

• Three references to demonstrate reliability, responsibility, energy and integrity are required
• Cumulative GPA of 3.5 or higher
• Expert knowledge as evidenced by transcripts in areas of math
• Good study habits and organization skills
• Effective communication skills with both student and parents
• Previous tutoring or teaching experience is preferred

Preferred Skills

Communication and social skills
