RESIDENT ENGINEER 1

Posting ID: EM1961841F
Company Website: https://www.portseattle.org/
Company: Port of Seattle
Work Location: Seattle, WA
Position Type: Full-Time
Salary: DOE
College Major(s): Civil Engineering (CEE), Mechanical Engineering (ME)
College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior, Graduate Student, PhD. Student, Alumni

OVERVIEW

The Port owns and operates Seattle-Tacoma International Airport, Fishermen’s Terminal — home of the North Pacific fishing fleet — and public marinas. The Port also owns two cruise ship terminals, a grain terminal, real estate assets, and marine cargo terminals through its partnership in the Northwest Seaport Alliance.

Roles and Responsibilities
The Resident Engineer I will assist other Resident Engineers (RE’s) in many aspects of the construction phase of major works projects as well as may manage small, straight forward projects as the owner representative. May also provide direction to Assistant Resident Engineers and Inspectors. The primary work is with our Landside program which consists primarily of horizontal construction around the Sea-Tac Airport.

Education and Qualifications
Bachelor’s degree in Engineering, Architecture, Construction Management or related field; and Two (2) to Five (5) years’ construction project management experience including inspection, cost estimating, and/or scheduling.
