Salary: DOE
College Level(s): Undergraduate-Junior, Undergraduate-Senior, Alumni

OVERVIEW

Station Casinos is the leading provider of gaming and entertainment to the residents of Las Vegas, Nevada. Frank Fertitta, Jr., originally opened what would become Palace Station on July 1, 1976, as The Casino, a 5,000-square-foot facility which offered 110 slot machines, five blackjack tables and a snack bar just west of the Las Vegas Strip.

Our philosophy is to hire people with wonderful attitudes, who will give extraordinary service to our internal and external guests. We believe in focusing on Team Members’ talent in order to discover their strengths and develop them so they are prepared for advancement.

Roles and Responsibilities
● Responsible for practicing, supporting and promoting Station Casinos’ “Beyond the Best” Company-wide culture and demonstrating Station Casinos’ Championship Service Standards at all times
● Responsible for equipment and microphone inventories
● Set up and break down of audio equipment and instruments under the guidance of senior personnel
● Insure that equipment is operated in a safe manner and handled in a way that minimizes wear and tear
● Answer telephone
● Run errands as directed by studio Director and/or senior studio personnel
● Maintains a clean and organized work environment at all times

Education and Qualifications
● Ability to communicate effectively with Guests, Team Members and Management in both written and verbal form
● Minimum Associates Degree in audio and/or recording studio experience preferred
● Familiarity with Pro Tools, Logic, and various other audio software required. Working knowledge of Solid State Logic E/G/K or similar analog consoles required
● Must be a team player with positive attitude
• Must be a problem solver that takes direction well
• Must be willing to work any day of the week and any shift, including holidays and weekends. Must be extremely flexible
• Must be able to read, write and speak English
• Excellent interpersonal, customer service, team-building, problem-solving and communication skills
