ENGINER IN TRAINING

Posting ID: EM17501544  Company Website: http://www.pec.us.com/
Company: Project Engineering Consultants  Work Location: Las Vegas, NV
Position Type: Part-Time  Salary: DOE
College Major(s): Civil Engineering (CEE)  College Level(s): Undergraduate-Junior, Undergraduate-Senior, Graduate Student

OVERVIEW

Project Engineering Consultants (PEC) is a full-service civil engineering firm seeking an entry level part-time Civil Engineer in our Las Vegas, Nevada office. The candidate will have the ability/opportunity to move into a full time position after a review period of 3 months has past and a performance evaluation with the candidate completed.

Roles and Responsibilities
- Utility pipe defect coding and logging.
- Help prepare design plans for water, sewer, and storm drain systems, roadways and highways, utilities and site grading for public and private sector clients.
- Help prepare estimates and material needs for projects.
- Assist in the completion of studies and preparation of written reports for clients.
- May work individually or participate as part of a team for larger scale projects.

The candidate will have the ability/opportunity to move into a full time position after a review period of 3 months has past and a performance evaluation with the candidate completed.

Benefits package includes flexible schedule, medical, dental, paid holidays, paid-time-off, 401(k) plan, competitive salary and more.

Education and Qualifications
Successful candidates should have a four-year civil engineering degree or be within 1-2 years of graduation, an E.I.T. certificate (or ability to gain the certificate within 1 year), good verbal and written communication skills, a great attitude and a desire to learn and develop as an engineer.

Preferred Skills
A wide degree of creativity and latitude is expected.
Will be required to work some nights and weekends (occasionally) depending on work load and project schedule.
Will be required to work in the field.

Marian Mason | Internship & Career Services Coordinator | coecareer@unlv.edu | https://unlv.edu/engineering/jobs
UNLV, Howard R. Hughes College of Engineering
