ENGINEERING INTERNSHIP

Posting ID: IN180114BC

Company: Collins Engineers, Inc.

Company Website: http://www.collinsengr.com

Work Location: 3130 S. Durango Drive, Suite 404 Las Vegas, NV 89117

Position Type: Part-Time

Salary: $15 - $18/hr depending upon experience

College Major(s): Civil Engineering (CEE)

College Level(s): Undergraduate-Junior, Undergraduate-Senior, Graduate Student

OVERVIEW

Collins is an ENR Top 500 Design Firm and provides design and analysis services coupled with field experience to the transportation, marine, construction, and land development industries.

The Las Vegas office is primarily involved with Land Development and Site Civil Engineering to include drainage, traffic, off-site and on-site civil improvements for schools, shopping centers, government agencies and miscellaneous other projects.

Roles and Responsibilities

● Compiles reports
● Properly checks other employee’s calculations
● Uses computer assisted engineering and design software and equipment to prepare engineering and design documents
● Field work will occasionally be required
● Other duties may be assigned

Safety Matters:
Whether you are sitting in an office, hanging from a bridge, or diving under a pier, your health and safety are our most important concerns. Collins has ongoing safety training programs, up-to-date safety standards, continued use of best practices, and open communication. We will provide the training, knowledge, and tools, but we need your commitment to learn, be proactive, and work safely.

Education and Qualifications
Junior or senior working towards a Bachelor's degree in Civil Engineering from an accredited four-year college.
Preferred Skills
AutoCAD Civil 3D 2017
Bentley WaterCAD
Synchro 10

How to Apply

Please apply for this position online at www.collinsengr.com.
