ENGINEER IN TRAINING

Posting ID: EM20020596

Company: GCW, Inc.

Company Website: https://www.gcwengineering.com/

Work Location: 1555 South Rainbow Boulevard
Las Vegas, NV 89146

Position Type: Full-Time

Salary:

College Major(s): Civil Engineering (CEE)

College Level(s): Graduate Student, Alumni

OVERVIEW

GCW is a professional engineering/surveying consulting firm incorporated in 1969. In our 50 years, GCW has been a leading provider of a complete range of services related to civil engineering (traffic and transportation engineering, land development, airport design, water/wastewater, hydraulics, flood control), structural engineering, and land surveying.

Roles and Responsibilities
As a Water Wastewater Engineer in Training at GCW, you will have the opportunity to work on entry-level professional engineering assignments from the designs of others, compile data, perform elementary design computations, and prepare engineering plans.

Education and Qualifications
Bachelors of Science degree in an appropriate engineering discipline is required. Successful completion of the Fundamentals of Engineering Exam: EI certificate is required.

Preferred Skills
Working knowledge of CAD Civil 3D software and Microsoft programs (Word, Excel, Project) is preferred.
