INTERN/ASSOCIATE PROJECT ENGINEER

Posting ID: EM1912601A  
Company Website: https://www.performancecontracting.com/projects/

Company: Performance Contracting Inc (PCI)  
Work Location: 3924 Silvestri Lane

Position Type: Full-Time  
Salary: DOE

College Major(s): Construction Management (CEM)  
College Level(s): Graduate Student

OVERVIEW

PCI is a subcontractor that specializes in a wide variety for scopes of work such as demolition, interior framing/drywall, interior finishes, exterior framing, exterior finishes, and fireproofing. We are one of the biggest subcontractors nationwide. Some of our notable previous projects was the UNLV Hotel Administration Building, Aria Convention Center, hotel remodels such as Palms, Bally's, and the Flamingo. Some of our highlights for Projects currently are the Las Vegas Stadium (where the Raiders will be playing) and Resort World Hotel. We are a fun company and very knowledgeable in the work we perform. There is lots of information any student can learn from coming to work for us.

Roles and Responsibilities
Associate Project Engineer - Takeoff, management overview of projects, document/quality control.

Education and Qualifications
Near Graduation/Graduating Spring 2019

Preferred Skills
Some knowledge in the use of computers.
