INTERN – BUSINESS SYSTEMS ANALYST

Posting ID: IN1872151C
Company Website: https://www.mccarran.com/

Company: McCarran Airport
Work Location: Las Vegas, NV

Position Type: Part-Time
Salary: $11 - $16 Hourly

College Major(s): Computer Science (CS)
College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

OVERVIEW
McCarran International Airport is a global leader in technology, is ranked #3 among “mega-sized” airports in North America and processes over 48 million passengers a year. McCarran is a dynamic and exciting place to work with a mission to provide excellence in customer service.

Additionally, Clark County Department of Aviation prioritizes professional development and ensures that our interns get the training they need to excel in their future careers.

Clark County Department of Aviation is seeking an energetic and dedicated undergraduate Computer Science major to fill an internship position.

Roles and Responsibilities
The intern will be involved in the following tasks:
● Create flowcharts; inquiry and observation of business and IT processes;
● Assist with business process documentation and requirements;
● Assist with translating business needs and technical issues;
● Analyze data; and create reports with the use of report writing software.

Education and Qualifications
We are looking for someone who has knowledge/skills in basic computer programming (Java, C#, VBA), majoring in Computer Science or Business Administration-Management Information Systems.

How to Apply
Email your current resume and transcript to interns@mccarran.com by September 14, 2018. If you have any questions or need assistance, call 702-261-5764.
