**INTERN – ERP/GIS**

**Posting ID:** IN187214FD

**Company:** McCarran Airport

**Position Type:** Part-Time

**Company Website:** [https://www.mccarran.com/](https://www.mccarran.com/)

**Work Location:** Las Vegas, NV

**Salary:** $11 - $16 Hourly

**College Major(s):** Civil Engineering (CEE), Computer Science (CS)

**College Level(s):** Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

**OVERVIEW**

McCarran International Airport is a global leader in technology, is ranked #3 among “mega-sized” airports in North America and processes over 48 million passengers a year. McCarran is a dynamic and exciting place to work with a mission to provide excellence in customer service.

Additionally, Clark County Department of Aviation prioritizes professional development and ensures that our interns get the training they need to excel in their future careers.

Clark County Department of Aviation is seeking an energetic and dedicated undergraduate Civil Engineering, Architecture, Computer Science, Earth & Environmental Science or Physical Geography major to fill an internship position.

**Roles and Responsibilities**

Example of the duties will include data collection to capture as-built conditions, update existing base data using AutoCAD and GIS as well as application development/maintenance using various programming languages.

**Education and Qualifications**

We are looking for someone who has knowledge/skills in computers, programming, AutoCAD and/or GIS.

**How to Apply**

Email your current resume and transcript to [interns@mccarran.com](mailto:interns@mccarran.com) by **September 14, 2018**.
