FUN RUN-WALK-ROLL POLICY

The following policy outlines the procedures for which an organization may hold a Fun Run-Walk-or-Roll on the UNLV campus. This policy is in addition to the applicable policies outlined in the Student Union & Event Services (SUES) Full Service Contract, General Reservation Policy, and UNLV Guidelines for Scheduling University Facilities. Additional policies may apply per the specifics of the event.

Guidelines:

1. Fun Run-Walk-Roll events are solely contracted with registered non-profit organizations. UNLV is unable to host competitive race events and/or those featuring USATF certified courses. Proof of non-profit status must be provided.
2. Expected attendance for a Fun Run-Walk-Roll must be between 50 and 200 participants to be held on the UNLV campus.
3. The approximate distance of UNLV’s Fun Run-Walk-Roll is 1 mile and will follow a predetermined route within campus grounds and not include city or county roads.
4. Fun Run-Walk-Roll start time, distance, and set-up cannot be guaranteed due to construction and other events on campus. We will work closely with clients to ensure they are familiar with their route and spaces they have access to.
5. All groups will be charged the Fun Run-Walk-Roll package price (see pricing below). Additional services are available by request. Any fees associated with additional services will be billed to the client. Fun Run-Walk-Roll events over 200 participants fall under the Community Walk policy; events over 4,000 will fall under the Festival Policy. Client must provide an accurate count of prior year’s attendance.
6. Fun Run-Walk-Roll events are permitted on weekends only. They will not be permitted to occur during campus closures and on annual event dates (e.g., Premier, UNLV’s Homecoming Week, Festival of Communities etc.). Pre-selected dates will be available and publicized late March/early April for the upcoming fall and spring semesters.
7. A pre-event meeting with the assigned event manager will be held to discuss event details including the route, water station locations, and other specifics.
8. Fun Run-Walk-Roll events must start and stop in the same location, which shall be one of the outdoor locations included in the package.
9. Special arrangements must be made with the SUES office to drive or park vehicles on the UNLV campus. Fire lanes must be accessible at all times. At no time may vehicles drive or park on Pida Plaza.
10. All Fun Run-Walk-Roll participants, staff and volunteers must follow University Parking Policies. Proximity parking to Walk route and/or gathering area is not guaranteed.
11. Client must provide volunteers to staff the registration area, as well as to manage the water stations and route. SUES staff will not manage the program component of the Fun Run-Walk-Roll.
12. Banners/Signs may not be attached to any building, light post, physical structure and/or any landscaping on the UNLV campus per the Campus Posting Policy. Signage along the route should be placed in pre-approved areas, if placed in grass areas it must be at least two feet from the sidewalk and is the responsibility of the sponsoring organization to place and remove. Signage is only permitted on the day of the scheduled event.
13. All Fun Run-Walk-Roll clients will leave the UNLV campus in the same condition as was provided for the event. Excessive trash, damage of property, remaining items, etc. may be subject to an excessive cleaning charge being added to the final event invoice.
14. The sponsoring organization must sign a rental agreement a minimum of sixty (60) days prior to the event start date, pay a 10% deposit, and is responsible for providing the SUES office with a copy of insurance, per the contract terms. An additional 75% deposit is due thirty (30) days prior to the event date.
15. Vendors not included in the sponsoring organization’s insurance coverage will be required to provide the SUES office with a copy of their general liability insurance policy in the amount of $2,000,000.00 naming the Nevada System of Higher Education (NSHE) Board of
Regents as an additional certificate holder. This includes vendors with animals and/or service animals. If vendors are selling merchandise, a business license is required to be on file with the SUES office.

16. All groups wishing to have food with their event need to arrange this through the assigned event Manager. Additional food permits may be required.

17. All Fun Run-Walk-Roll set-ups and gathering areas must be approved by UNLV Risk Management and the State Fire Marshal. Student Union & Event Services will coordinate this application process but cannot guarantee approval.

18. On Fun Run-Walk-Roll days, the Student Union and green spaces will open at 7:00 am; if an earlier open or late close is requested in advance, the client will incur current hourly overtime fees to cover staffing and utilities.

19. Emergency Medical Services may be required by UNLV Risk Management & Safety, but not provided in the package; SUES can assist with the coordination of these services.

20. Academic Buildings along the walk route will not be open. Portable restroom rental is recommended, but not required. SUES can assist with the coordination of these services.

21. Last minute changes, if approved, are subject to a change fee.

22. The use of Unmanned Aerial Systems (UAS), also known as drones, are not permitted.

23. In the instance of inclement weather, refer to the terms & conditions in the Full Service Contract

24. The number of police officers, grounds staff, and SUES staff will be provided at the discretion of UNLV.

25. Electric Carts are not available for Client use. SUES staff is not permitted to shuttle guests in electric carts.

* Any equipment, space, service, or personnel needed beyond what is provided in the package will incur additional charges and are subject to a 12% management fee

** Discounts already applied to rates.

Charges apply to the following requests, if available. SUES can assist with the coordination of the following:

1) Additional outdoor electricity; note that power is very limited, with outdoor vendor set-ups typically needing to rent a generator.
2) Additional water stations or equipment, such as tables and chairs, please ask for a quote in advance.
3) Event security.
4) Set-up the evening before, if available. Overnight security is required but not included for venues, equipment, and rentals.
5) Portable restrooms – recommended, not required; note that academic buildings along the walk route may not be open
6) Emergency medical services.
