Faculty Senate Academic Freedom and Ethics Committee Petition Guidelines

Scope of Responsibilities

The Academic Freedom and Ethics Committee shall investigate complaints regarding interference in academic freedom and questions of ethical misconduct submitted by any faculty or professional staff member of the university community, unless previously established procedures exist for the resolution of the particular complaint. The committee is not limited to UNLV’s Ethical Guidelines for UNLV Faculty or by the Statement on Professional Ethics of the American Association of University Professors.

Procedures of Petitions

A petition must be filed and pursuant in accordance with the following procedures.

The person filing a complaint shall be the Petitioner and the person against whom the complaint is brought shall be the Respondent.

The burden of proof rests with the person filing the petition to prove by a preponderance of evidence each charge in the petition.

All complaints will be addressed to The Academic Freedom and Ethics Committee in care of the Chair of the UNLV Faculty Senate.

The petitioner must submit a letter of petition addressed to the AFEC [including name of petitioner, date of petition, respondents, brief description] with all available relevant documentation in care of the Faculty Senate Chair. References to specific provisions of bylaws, code sections and the like are encouraged. The committee will notify the Senate Chair if it determines it does not have jurisdiction. If the committee determines it has jurisdiction, it will make a recommendation to the Faculty Senate Chair. Respect for confidentiality should be maintained through the process of the petition.

The party against whom the petition is filed is required to make a reasonable effort to rebut the complaint. Failure to respond within (90) calendar days shall be deemed a default by the Respondent except in unusual circumstances. Respondents may petition the committee to re-open a default within two weeks.

The Respondent shall have (90) calendar days from the day they receive a copy of the petition from the Faculty Senate Chair to file a response addressed to the Committee in care of the Chair of the
Faculty Senate. Failure to respond within the time limit may be deemed a default by the Respondent and the Committee shall recommend in favor of the Petitioner.

Regarding all procedures involving time limits including the filing of a complaint, the Academic Freedom and Ethics Committee shall grant extensions of time for good cause.

The Respondent must submit a letter of petition addressed to the AFEC including name of respondent, date of response, and response with all available relevant documentation in care of the Faculty Senate Chair. References to specific provisions of bylaws, code sections and the like are encouraged. Respect for confidentiality should be maintained through the process of the petition.

Parties may supplement their submissions. Further documentation the Petitioner or the Respondent wishes to be reviewed in the process must be addressed to the Committee in care of the Chair of the Faculty Senate, and filed in the Senate Office. The Senate Office will forward true and correct copies of any such filings to all other parties.

The AFEC will establish a Review Committee which will consist of either the entire AFEC (within conflict of interest guidelines) or a designated subcommittee. No members of the Review Committee may be from the same college or unit as the Petitioner or Respondent. Any member who otherwise has a conflict of interests or may reasonably perceived to have a conflict of interest shall not be chosen as a member of the relevant Review Committee. Members of a Review Committee may not appoint proxies. A quorum of the Review Committee shall consist of at least eighty percent of the Review Committee.

The Review Committee will determine whether to act on the submitted materials, request additional materials, or hold a hearing where it summons witnesses. Parties may request a full hearing, including summoning witnesses and presenting other evidence; the Review Committee reserves the right to deny a hearing.

All proceedings are informal in nature, advisory, and constitute recommendations to the Faculty Senate Executive Committee only. Final decisions in all petitions are made by the Faculty Senate Executive Committee of UNLV. Due to their informal nature, proceedings shall not be recorded by any electronic or other means.

Relevant Information

The file shall contain all documents relevant to the petition. Both parties may suggest names of individuals whom they think should be interviewed. The Review Committee will exercise its judgment as to the need to do so. The Review Committee may also request additional statements from other parties as appropriate and shall have the authority to obtain relevant testimony from persons whom it deems may provide useful information. All documents and relevant information shall remain the property of the Faculty Senate Office.
**Actions and Reports of Results**

The actions of the Review Committee will be by a vote of the members. All serving on a Hearing Committee will sign the final recommendation, which may include a minority recommendation. Recommendations of the Review Committee will be by simple majority. The Review Committee shall process the petition in a timely fashion, consistent with an appropriate investigation of each case. The Review Committee shall submit its final report to the Faculty Senate Chair, which shall distribute copies to all parties and forward the report to the President.

**Confidentiality**

Consistent with the necessity of the committee to investigate the case fully, confidentiality of the contents of the files shall be maintained to the maximum extent possible.
