## Course Information

If you are seeking approval, please check one of the boxes below. This is...

- A new course, accepted by the curriculum committee (Date \_\_\_\_\_)
- An existing course, listed “as is” in the catalog
- An existing course, revised and accepted by the curriculum committee (Date \_\_\_\_\_)

Enter the *prerequisites required* for the course (enter prerequisites here, or type 'none')

Enter the *catalog description* of the course to be considered *exactly* as it appears in the catalog:  
(enter description here)

NOTE For existing (or modified) courses, this submission will not be considered if the description does not match exactly as it appears in the catalog (or has been approved by the curriculum committee).

Check the appropriate box below, and include a short narrative as to how the proposed course *specifically* addresses the criteria described.

**Multicultural:**

These courses examine cultural similarities and differences in the United States based upon attributes which may include, but are not limited to: ethnicity, race, gender, age, religion, sexual orientation and disabilities. To be accepted, the course must demonstrate substantial content in both quality and quantity regarding at least two or more attributes.

Narrative: (enter narrative here)

**International:**

The primary purpose of these courses is to examine existing peoples and societies outside of the United States. Content may include, but is not limited to: current language, institutions, and culture. To be accepted, the course must demonstrate substantial content in both quality and quantity regarding at least one or more attribute.

Narrative: (enter narrative here)

Explain how this course supports the UNLV University Undergraduate Learning Outcomes ([UULOs](#)):
