

## Fall 2017 Registration Schedule

The Fall 2017 Registration Schedule is based on expected class standing. For example, if you are currently a freshman and expect to finish enough credits before the semester to be a sophomore, you will register at the time designated for sophomores.

Each student will have an individual appointment date and time assigned to them based on their expected academic standing. Students can view their specific appointment information in their student center. For example, the registration dates for sophomores are May 1<sup>st</sup>, 2017 at 8 a.m. through May 3<sup>rd</sup>, at 5 p.m. Students must check their student center to determine the time between these two dates that they may actually register as different students will have different times assigned to them. The appointments are assigned randomly within each academic standing.

**\*\*Students who have applied for graduation and selected the Spring 2017 term will not be supplied with an enrollment appointment for Fall. If Students no longer expect to complete their degree by Spring 2017 they must adjust their anticipated graduation term by visiting the Registrar's Office\*\***
