### A. STUDENT INFORMATION:

| Student name: __________________________ | NSHE student ID: __________________________ |

### B. CONSUMER INFORMATION:

While studying at another U.S. law school, you may be eligible to receive federal financial aid to use toward payment of your program expenses. Federal regulations require that your “home” institution—the institution granting your degree—award and process your financial aid. As your home institution, UNLV Financial Aid & Scholarships Office requires this completed Consortium Agreement, as well as completion of all financial aid application requirements, in order to determine your eligibility for financial aid.

Please note that only federal aid awarded by UNLV—including a Federal Direct Stafford Loan or a Federal Direct Grad PLUS Loan, (if approved)—will be processed through the regular UNLV semester billing system and the refund you receive should be used toward payment of another school’s expenses.

Law students must obtain the permission of the Associate Dean of Students in order to be eligible to transfer the course credits to your UNLV degree program.
