2019 - 2020 Income Clarification Worksheet - Independent

The 2017 income you reported on your 2019-2020 Free Application for Federal Student Aid (FAFSA) appears insufficient to support the number of people in your household. Please complete this form to clarify how you were able to live and support your household during the year 2017. If **NOT applicable** write in “N/A”, otherwise, you **MUST** enter an amount.

### A. Student Information

| Last Name: _______________________________ | First Name: ________________________________ | MI: ______ |
| NSHE ID: ______________________________ |

### B. 2017 Total Income versus Expenses

<table>
<thead>
<tr>

Name:___________________________________  NSHE ID:________________________________

Review your answers from the TOTAL columns of page 1 to answer the following questions and
attach an extra sheet if necessary:

1. Please tally the expenses and income columns on page 1 and compare. Based on your answers,
please explain below how you were able to meet your financial obligations in 2017.

   Student:__________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________

2. List any money received or paid on the student’s behalf (e.g., payment of student’s bills) from the
student column on page 1. For example, if someone is paying your rent, utility bills, etc., include the
total amount of that person's contributions. If someone gives the student cash, gift cards, etc. and is
not expected to be paid back, also include the amount of that person's contributions.
