SUMMER 2017 FINANCIAL AID APPLICATION

Student Name (printed):________________________________________

Student’s Signature:____________________________________________ NSHE ID#:_____________________

Many students who request summer financial aid will likely not have eligibility for the summer 2017 semester because they have used all their federal financial aid eligibility during the fall 2016 and spring 2017 semesters. You will be notified via UNLV Rebel Mail if you are not eligible for summer financial aid programs.

You should not complete this application unless you are 100% sure you will not change your summer class schedule for any reason. If you are unsure of your summer semester schedule, do not complete this application.

If you are eligible for Federal Subsidized/Unsubsidized student loans during the summer semester, you must accept these aid programs online via MyUNLV.

Processing will begin after March 31, 2017

IMPORTANT INFORMATION FOR SUMMER FINANCIAL AID APPLICANTS

• You should not complete this application unless you are 100% sure you will not change your summer class schedule for any reason. If you are unsure of your schedule, do not complete this application until you know your schedule is finalized.

• If you change your summer semester enrollment from what you have originally listed on this form, you must complete the Summer Enrollment Revision Request Form available online at: http://www.unlv.edu/finaid/forms-2017#summer.

• If you change your credit hours, you will experience a delay in the revision of your financial aid awards. You will also likely owe money back to the University if you reduce your credit hours from what was originally listed on this application and financial aid has already disbursed to your student account. If you owe the University money, you will not be able to enroll in additional classes or receive academic transcripts because of University holds.

• You should not complete an application for the Federal Parent PLUS Loan unless you have been awarded an estimate for Summer. Failure to follow these instructions will result in your credit check expiring before the start of the semester invalidating the loan.

• If you have not used all your Federal Subsidized and/or Unsubsidized student loan eligibility during the Fall 2016 and Spring 2017 semesters, you must be enrolled at least half time (6 credit hours undergraduate or 5 credit hours graduate) to be considered for these federal student loans.

• If you are eligible for the Millennium Scholarship Program during the summer semester, the Nevada Treasurer’s Office will not credit your summer Millennium Scholarship to your UNLV billing statement until the end of October. This is in accordance with Millennium Scholarship program rules. You are responsible for paying your summer billing statement by the due date. Once your Millennium Scholarship credits to your UNLV billing account, you will get reimbursed.

• You must be enrolled in a degree granting program.

• You should have a 2016-2017 Free Application for Federal Student Aid (FAFSA) form on file prior to the last day of your summer semester enrollment period with the UNLV Financial Aid & Scholarships Office.

• You must be meeting the financial aid Satisfactory Academic Progress policy as described at: http://www.unlv.edu/finaid/checklist/after-sap

• You are responsible for fee payment by the deadlines indicated within your UNLV summer semester billing statement even if your application for summer financial aid has not been processed.
