Freshman Academy: Consumer Information

• Only students designated as a Freshman Academy student by the Provosts Office may complete this form during their first two semesters of enrollment. This form is used to combine your UNLV and College of Southern Nevada (CSN) credit hours to be considered for fall semester federal & institutional full-time financial aid.

• This form should be submitted at least 30 days before your UNLV billing due date. The final deadline is August 31, 2018. Forms received after this deadline will not be accepted. It is your responsibility to pay any late fees associated with your UNLV or CSN billing statement if you do not submit this completed form within a timely manner.

• You will need to complete the Spring 2019 Freshman Academy Consortium Agreement form once your spring semester schedule has been approved by your academic advisor.

• If you are a State of Nevada Millennium Scholarship recipient, you must also complete the Millennium Scholarship Co-Enrollment Form at: https://www.unlv.edu/sites/default/files/page_files/27/Co-Enrollment_Form.pdf

• Your UNLV academic advisor must verify your UNLV & CSN classes are required to complete your UNLV degree program. You should not alter the approved UNLV & CSN classes you are taking as approved by your UNLV academic advisor.

• Carefully consider your ability to meet the terms and conditions of this document. Federal regulations can be complex & strict to maintain your financial aid eligibility. Carefully consider the logistics of enrolling in classes at UNLV and CSN.

• If you disagree with anything or do not understand this document, do not complete this form. You are under no obligation to complete this form.
If you are unable to complete the terms and conditions within this document, the following may occur:

- You may lose your State of Nevada Millennium Scholarship eligibility
- A registration hold may be placed on your MyUNLV account preventing you from enrolling within any Nevada System of Higher Education school

Freshman Academy: Terms and Conditions

Terms and Conditions Instructions:

• Each section must be completed in the presence of a financial aid staff member. A staff member can answer your questions before you initial anything. Your initials signify you agree to the terms and conditions and you comprehend this document.

• If you are unable to initial each term and condition, this document is void. Your UNLV credit hours will not be combined with your CSN credit hours for federal and institutional aid consideration and a hold will be placed on your account. You may still complete the State of Nevada Millennium Co-enrollment form, if applicable.
I understand my financial aid may be cancelled or reduced, if I alter my approved academic advisor class schedule between UNLV and CSN. See Section I: Academic Advisor Certification.

I understand I may owe UNLV or CSN funds for financial aid I was not eligible to receive if I alter my approved class schedule between UNLV and CSN.

I understand if I receive a failing grade, withdraw from one or more classes, receive an incomplete, change my class grade to audit, or do not receive a sufficient letter grade that counts towards my UNLV degree major requirements from CSN or UNLV, this situation may require the UNLV Financial Aid & Scholarships Office to cancel or reduce any previously disbursed financial aid received. If this event occurs, I may likely owe money back to UNLV for financial aid funds I was not eligible to receive. My spring disbursement of financial aid may be held up to determine my eligibility for aid programs.
I understand if I owe UNLV funds for financial aid I was not eligible to receive, I may not be able to enroll in classes at UNLV, CSN or another Nevada System of Higher Education school, until my balance to UNLV is paid in full.

I understand if I owe UNLV funds for financial aid I was not eligible to receive, I will not be able to receive academic transcripts until my balance to UNLV is paid in full.

I understand my CSN fees will be transferred to UNLV as a “Freshman Academy Fee” on my UNLV billing statement.
I understand the UNLV Financial Aid & Scholarships Office provides no guarantees it can process this form and disburse financial aid in time to pay for tuition and fees by the billing date. I may need to make alternative payment arrangements until my financial aid can be processed.

I understand for my billing statement to be paid on time, I must submit this completed Consortium Agreement at least 30 days before the bill due date. It is my responsibility to pay any late fees associated with my billing statement if I do not submit this completed form within a timely manner.

I understand I must pay any CSN books expenses from my own financial resources. UNLV will not forward any financial aid funds to CSN to pay for my books.
I understand my tuition and fee costs at CSN will be lower than UNLV. My educational costs & financial aid awards may be adjusted accordingly.

I understand and agree the UNLV Cashiering & Student Accounts Office will use my financial aid proceeds to help pay my CSN billing statement. If there are any financial aid funds remaining, the UNLV Cashiering & Student Accounts Office will issue me a financial aid refund.

I understand I must comply with the Satisfactory Academic Progress policy of UNLV as described at www.unlv.edu/finaid/checklist/after-sap.
At the time of review, I understand if my UNLV or CSN class schedule is different from what was previously approved by my academic advisor in Section I, this form becomes void. I must meet with my academic advisor again to recertify my class schedule and resubmit this form by August 31, 2018. I may likely experience delays in receiving my financial aid if this occurs.

I understand I can only receive federal financial aid at UNLV (Pell grant, Subsidized & Unsubsidized loans, Parent PLUS loans). I will not apply to receive federal financial aid at CSN. If it is determined I received federal financial aid at CSN, my UNLV financial aid previously disbursed may have to be reduced or cancelled. I may owe money to federal financial aid programs and lose my federal financial aid eligibility until I pay back the U.S. Department of Education for funds I was not eligible to receive.
