• This appeal may be used by graduate students to request reconsideration of an academic decision, course grade, to allege unfair academic practice, or to request relief or waiver from a UNLV policy or Graduate College requirement. It is your responsibility to provide a clear and concise statement of your appeal and to provide all relevant documentation you wish to be reviewed and considered prior to the Graduate Dean rendering a final decision. Guidelines for what to include follow below:

Student appeals must include:
1. UNLV Graduate College Appeal Form as a cover sheet
2. Written Statement of Appeal addressed to the appropriate UNLV administrator
3. Relevant documentation/support. For example, documents may include medical records, work verification, police reports, death certificates, airline receipts, letters from professors on University letterhead, transcripts, etc.

An appeal may include:
1. A written response, with or without documentation, by the named parties in the student’s appeal
2. A written response from the faculty and/or administrators signing this form

• If the issue is not resolved between the student and course instructor or faculty member, a written appeal should first be directed to the Graduate Coordinator of the department in question. If the problem remains unresolved to the student’s satisfaction, appeals must be directed in progressive order to the Department Chair/School Director, College Dean, then subsequently to the Graduate Dean. The Graduate Dean may act to resolve the problem, or the Dean may request input and guidance from the Graduate College Student Appeals & Legal Issues Committee who will be charged with reviewing the appeal, holding an information gathering meeting with the appellant, then hold an informational meeting with the faculty, staff, and/or administrators involved, and finally make their advisory recommendation to the Graduate Dean. The Graduate Dean will render a final decision and inform the student and department accordingly.

• Advisors and departments may have varying methods for processing appeals, so please contact your department for specific policies and procedures. However, all appeals should be reviewed by the department, and each successive level of review, in a timely manner consistent with standard business practice.

• Note that the Graduate College must receive grade appeals within 60 calendar days from the last day of the term or semester in question. All other appeals must be filed with the Graduate College (FDH 352) in a timely manner, and unless special circumstances prevail, appeals should not be submitted more than 90 days after the inciting incident or catalyst for the appeal.

• Each appeal is reviewed individually and a decision will be based on the merits and the documentation provided.

• Appeals regarding financial issues (e.g., tuition refund, tuition waiver, student fees, late fees, etc.) must be submitted separately to the UNLV Student Accounts Office, using their Tuition & Fee Appeal Form. If an appeal involves both an academic and financial issue, the student should submit an academic appeal first to the Graduate College and wait for a decision before commencing with the financial appeal to the Student Accounts Office. For further information concerning the financial appeal process please visit: https://www.unlv.edu/cashiering/fee-appeals.
