Curriculog is a public website. Anyone who navigates to the link will have view access. The actions you can perform are determined by the roles set in Curriculog. Contact the system administrator to add/update roles as needed. Please note: Curriculog works best in the Firefox browser. For a quick reference of each of the icons in Curriculog see the chart below. For a detailed explanation of each menu navigate directly to the sections for: Proposals or Agendas

Logging In

1. Navigate to: https://unlv.curriculog.com and click Login in the upper right corner
A. Log in using your ACE credentials

1. If you do not know your ACE log in you should contact OIT
2. The Dashboard on the Right side of the page is visible regardless of which menu is selected
Settings

3. When you hover over your name in the upper right corner it will open a menu where you can adjust your settings.

A. Click Settings and then select your name to open the account summary.
B. The bottom of the Account summary allows you to change your notification options
   i. On the Originator menu, choose whether you want to receive messages for comments, comments and edits, or everything.
C. The Email Options menu allows you to select how often you receive email notifications
   i. You can choose to receive them once per week, MWF, TTH, once per day, or
      individual emails for each alert
D. The Process menu allows you to select what you want to be notified of
   i. You can receive messages for steps you are involved in, or you can receive
      notifications for all steps of any proposal you are involved in
E. Even if you limit your email notifications you will still be able to see all of the messages on your dashboard when you log into curriculog.
Proposals Menu

4. On the Proposals menu you can view the following:
   A. Tasks – Items that have reached your step for review and approval
      i. Tasks can be filtered by Status, Type, deadline, urgency, etc
   B. My Proposals – Current requests that you have created yourself
i. Proposals can also be filtered by status, type, etc.

ii. You can toggle over the icons and select to view, edit, or delete any proposal that was created by you

C. Watch List – Items you have indicated you wanted to keep track of regardless of who created them
i. You can add items to your watch list by clicking the star next to the proposal.

ii. To remove the item from your Watch List, simply click the star again when you are done watching the proposal.
D. All Proposals – Any proposals that have been launched at any step
   
i. There is an indicator for each proposal showing you the number of steps and which have been approved or rejected

- The number of circles indicates the number of steps
- Empty circles are steps that have been completed
- Green checkmarks show you which steps have been approved
- Red Xs show you which steps have been rejected
- The vertical red and green bars show you if a step has been restarted for some reason (e.g., members being added/removed)
5. All 4 Tabs allow you to do the following:
   A. Start a New Proposal
   
   B. Or toggle over the icons and select them if you want to do any of the following
      i. View a summary of the proposal

   1. The summary shows an overview of the proposal and includes any comments that have been entered as well as the history (which steps have been completed and which are still pending)
ii. View the full proposal

1. View proposal shows you all of the details including any fields that were blank.

Scroll down to view all details of the proposal.
a. This is also where you can view a complete history and make any decisions on proposals that are on your step, make comments, attach files, etc. using the proposal toolbox.

iii. Send a message about the proposal.
1. Emails are not maintained by Curriculog and will show your email address as the sender

   a. The email will have a direct link to the proposal and can be sent to any Curriculog user

   iv. Add the proposal to your Watch List
Agenda Menu

6. On the Agenda Menu you will find the following:
   A. My Agendas – Any agendas that you have created

B. All Agendas – View any agendas that have been created
i. This is where you can view agendas that contain your proposals (like the Faculty Senate Curriculum Committee)

The Agenda Administrator will attach any proposals that are relevant to the meeting.
You will also see whether or not a decision had been made on the proposals.

ii. Click View Agenda to see any meeting notes as well as any proposals that are attached
C. My Archived Agendas – Agendas that you created which have been archived

- You can click View Agenda to view additional notes that have been added as well as decisions that were made on any attached proposals.

D. Archived Agendas – Any agendas that have been archived

- You can click View Agenda to view additional notes that have been added as well as decisions that were made on any attached proposals.
