

SUPPORT GRADUATE STUDENTS DURING THE COVID-19 OUTBREAK

Many UNLV graduate students are suddenly facing extreme hardships due to COVID-19.

The UNLV Graduate College is here to support our students' well-being and success. In these challenging times we're looking for partners to join us in supporting the Graduate Student Emergency Support Fund, which provides help to our Grad Rebels during times of need.

This fund provides emergency financial support for students who need help with basic needs, such as food and housing, as well as resources they need to complete their studies off-campus, such as loaner laptops and software licenses.

Our Grad Rebel community has never needed your support more than now.
