Course Change

1. Click New Proposal from any tab on the Proposal menu

A. If you select a request you can see a summary of the process steps in the fly out menu to the right
2. Select the Graduate Course Change form and click the check mark to begin the proposal.

A. Click the "i" in the upper right corner to turn on the Help text.
3. Import the department and course information from the catalog (this will ensure accuracy)

- avoid the use of the words student, course, and covers
- incomplete sentences are ok
- avoid repeating the course title
- (50 words max)

*Import directly from the catalog to maintain accuracy and save time.*

Please review the information to ensure that all required fields are completed.
A. Scroll back to the top and click the Import button to open the pop-up window

i. You will need to complete your proposal with the CURRENT information first, you will NOT include any of your proposed changes at this time

ii. This will open another window where you can search the current catalog

1. You should always select the working graduate catalog
2. Add Prefix as your filter field

3. Type in the prefix and search the available curriculum
4. Select the course you are proposing to change from the list.

Catalog Description

Narrative and interpretive study of the economic, political, and social developments in the trans-Mississippi West from the California Gold Rush to the present.
B. Select the changes you are proposing to make and the term when they should be effective

![Summary of Proposed Changes](image)

**Help**: Note that only 2 changes can be made to a course. If more than two changes are needed, submit a new course proposal.

- [ ] Prefix
- [ ] Course #
- [ ] Name/Abbreviation
- [ ] Credits/Grading
- [x] PreReqs/CoReqs
- [ ] Instructional Mode
- [ ] Other

**Effective Term and Year**

- [x] Fall 2020

i. Please note: if you are making more than two (2) changes you should submit a New Course Proposal instead

C. Enter your justification for your changes

![Justification for Course Change](image)

This course should have a prerequisite.
D. Scroll to the top and run an impact report to find out which, if any, other courses, programs, certificates, etc will be affected by your change.

i. In the new window, select the working GRADUATE catalog and click Generate Report.
ii. Copy all of the information in the impact report
   1. You can use keyboard controls to select all (ctrl + A or cmd + A) and copy (ctrl + C or cmd + C)
iii. Paste the impact report into the box

1. Remember: You may need to submit a Program Change form if there are substantive changes
E. Detail the changes to the catalog that will be required by your proposal and determine if the course will be listed as the “same as” another.

F. Continue answering the required questions with CURRENT course information. You will NOT enter your changes until the proposal has been launched.
G. Determine if any additional Library Resources will be necessary as a result of your changes

i. Enter the journals, books, and/or electronic resources in the appropriate fields if necessary
H. Once all of the required fields have been completed, select Save All Changes and Launch the proposal.
i. This will save the current course information so when you add in the changes, they will be tracked. Tracking is crucial for the remaining approval steps.

### Could Not Launch Proposal

Please correct the following errors before launching the proposal.

- Proposal is missing participants

![Image](https://via.placeholder.com/150)

- Proposal has validation errors

![Image](https://via.placeholder.com/150)

1. Click show me to highlight the errors

iv. Correct the errors, click save and then you can re-launch your proposal.

ii. If participants in the approval process (Department Chairs, Deans, etc) are missing you will receive an error

1. Contact GradCurriculum@unlv.edu if you see this error

iii. If you missed any of the required fields you will see a message telling you to correct the errors
4. When the proposal is complete you will confirm that you want to launch

![Launch Proposal](image1)

5. Now you will type the proposed changes directly into the proposal

![Requisite Change](image2)

i. You will save after each change

ii. Remember: If you are making more than two (2) changes, you should be completing a New Course Proposal instead
6. Once you save your changes if you scroll back to the Proposal Toolbox and change the user tracking to say “show Current with Mark Up” you can see all of the changes you made.

A. Any user in the approval process will be able to see this tracking with a date/time stamp and the name of the user who made the change.
7. Once you have made your changes, scroll to the top and click the Decisions icon in the Proposal toolbox.

8. Select your decision, enter any comments/notes and click Make my Decision.

A. Selecting Approve will move the proposal to the next step.
9. Once the proposal moves to the next step you can check the status by clicking on the status icon in the Proposal Toolbox.
