Partners in Education

Library faculty will:

• collaborate with you to design engaging research assignments for your students
• meet with your students to introduce and practice research skills
• help you assess student skills in critical thinking and inquiry
Partners in Research

• Research resources: books, databases, journals, special collections
• Consultations: work one-on-one with a library faculty member
• Digital Scholarship@UNLV: deposit and archive your work
• Other services: Interlibrary Loan, Reserves, Media Lab
