

Peter B. Gray

Department of Anthropology
University of Nevada, Las Vegas
4505 Maryland Parkway, Box 455003
Las Vegas, NV 89154-5003
702-895-3586
peter.gray@unlv.edu

ACADEMIC POSITIONS

University of Nevada, Las Vegas

- Professor 2016-present
- Associate Professor 2010-2016
- Assistant Professor 2005-2010

University of Nevada, Las Vegas School of Medicine

- Adjunct Professor 2016-present

Charles Drew University

2003-2005

- Research Fellow (Mentor: Shalender Bhasin), Division of Endocrinology, Metabolism & Molecular Medicine

EDUCATION

Harvard University, Cambridge, MA

- Ph.D., Biological Anthropology 2003
- A.M., Biological Anthropology 2000

UCLA, Los Angeles, CA

- B.A., Anthropology, Departmental Highest Honors 1996
- B.A., Geography/Environmental Studies 1996

AREAS OF SPECIALIZATION AND CURRENT RESEARCH INTERESTS

- Evolutionary perspectives on human behavior, human behavioral endocrinology, human reproductive ecology, human biology, parental behavior, human sexuality, human-animal interaction, U.S. and Caribbean.
- Collaborative field research in Jamaica, with Maureen Samms-Vaughan, addresses impacts of fatherhood on men's behavior, psychology and health; previous research in Jamaica has investigated the hormonal correlates of grandmothering and paternal interactions.
- I am currently most actively working on
 - Behavioral, psychological, and physiological aspects of fathering
 - Integrative research on human sexuality, including dating and sexual behavior of single parents
 - Biocultural approaches to human-pet interactions

GRANTS AND AWARDS

- 2016: UNLV Graduate and Professional Student Association (GPSA) Distinguished Contribution Award
- 2016: UNLV Liberal Arts Student Summer Faculty Research Stipend Awards (\$3000) on behalf of Elizabeth Brogdon and Timothy McHale
- 2014-16: UNLV Graduate College Faculty Fellow
- 2014: UNLV Graduate and Professional Student Association (GPSA) Outstanding Mentor Award
- 2012: Wenner-Gren Foundation Grant for Anthropological Research (\$24,950)
- 2012: William Morris Award for Excellence in Scholarship
- 2011: UNLV Barrick Scholarship Award
- 2010: *Fatherhood* recognized as a *Choice* Outstanding Academic Title
- 2007: UNLV Research Development Award (\$10,000)
- 2006: Center for Human and Primate Reproductive Ecology, Yale University, Research Grant (\$2,000)
- 2006: Summer UNLV Faculty Development Fellowship
- 2003-05: Post-doctoral Fellowship in Endocrinology, Metabolism and Molecular Medicine, Charles Drew University of Medicine and Science (\$90,000)
- 2000-03: Bok Teaching Center, Harvard University, Distinguished Teaching Award (4 semesters)
- 2000-02: Arthur Green Foundation Research Grant (\$8,425)
- 2000-01: Frederick Sheldon Traveling Fellowship, Harvard University (\$12,000)
- 2000: L.S.B. Leakey Research Grant (declined due to Tanzanian permit difficulties)
- 1998: National Science Foundation Graduate Student Fellowship, Honorable Mention
- 1998: Mellon Foundation grant for summer research (\$3,000)
- 1997-2001: Michael Crichton Fellowship, Harvard University
- 1996: Teague-Melville-Elliott Award (best undergraduate paper in the social sciences), UCLA

PUBLICATIONS

Presentations and Invited Talks:

“Sex, Babies and Dogs: Evolutionary and Endocrine Aspects of Changing Human Families.” Invited speaker. Behavior, Evolution, and Culture Colloquium Series, UCLA. Los Angeles, CA. June 2017.

“Sex, Babies and Dogs: Evolutionary and Endocrine Aspects of Changing Human Families.” Plenary talk. Human Behavior and Evolution Society Meetings. Boise, Idaho. May 2017.

“Signaling human fathering potential.” Podium Presentation. American Association of Physical Anthropology Meetings. New Orleans, Louisiana. April 2017.

“Field studies of hormones and human fatherhood.” Podium Presentation. Social Neuroendocrinology Preconference, Society for Personality and Social Psychology. San Antonio, Texas. January 2017.

“Kin selection meets the grandparents: Do step and biological grandparents show differences in investment and emotional closeness with their grandchildren?” Poster Presentation. Southwestern Association of Biological Anthropologists Meetings. Tempe, Arizona. November 2016.

Invited conference participant and presenter: “The evolution of human behavior and its neuroendocrine regulation.” Erice, Sicily, Italy. June 2015.

“Fatherhood in St. Kitts: Patterns and predictors of partnership and paternal dynamics in a Caribbean island.” Podium Presentation. Human Behavior and Evolution Society Meetings. Columbia, Missouri. May 2015.

“Fatherhood in St. Kitts: Patterns and predictors of partnership and paternal dynamics in a Caribbean island.” Podium Presentation. Society for Cross-Cultural Research Meetings. Albuquerque, New Mexico. February 2015.

Invited conference participant: “Men as fathers: Interdisciplinary perspectives on fatherhood in the context of the family.” Jacobs Foundation. Marbach Castle, Germany. May 2014.

“Dating and sexual behavior among single parents of young children in the United States.” Podium Presentation. American Association of Physical Anthropology Meetings. Calgary, Canada. April 2014.

“Fatherhood in Jamaica: Investigating paternal attitudes, relationship dynamics, sexual function, and health among a large sample of fathers of newborns.” Podium Presentation. Human Biology Association Meetings. Calgary, Canada. April 2014.

“Sex, Babies and Dogs: An Evolutionary Perspective on Human Reproduction.” Invited speaker. The Kinsey Institute for Research in Sex, Gender, and Reproduction. Indiana University, Bloomington. December 2013.

“Father Darwin: Effects of Children on Men, Viewed from an Evolutionary Perspective.” Invited speaker. National Institutes of Health, Office of Behavioral and Social Science Research. Bethesda, MD. September 2013.

“Fatherhood in Jamaica: Investigating paternal attitudes, relationship dynamics, sexual function, and health among a large sample of fathers of newborns.” Podium Presentation. American Anthropology Association Meetings. San Francisco, California. November 2012.

Invited meeting participant on the nature of male being and behavior. Foundation for Male Studies. New York City. October 2012.

“Human-pet dynamics in cross-cultural perspective.” Podium Presentation. Society for Cross-Cultural Research Meetings. Las Vegas, Nevada. February 2012.

Discussant in session titled “Social learning and gender relations in hunter-gatherer childhood.” Society for Cross-Cultural Research Meetings. Las Vegas, Nevada. February 2012.

“Sex, babies, and dogs: Biocultural foundations of human reproduction.” Invited speaker. Department of Health and Behavioral Science. University of Colorado, Denver. January 2012.

“Obesity and male reproductive function.” Podium Presentation. Southwestern Anthropology Association Meetings. Reno, Nevada. May 2011.

“Peripartum shifts in female sociosexuality.” Podium Presentation. American Association of Physical Anthropology Meetings. Minneapolis, Minnesota. April 2011.

“Body image in St. Kitts, Caribbean: Variation associated with sex, parental status, wealth and comparisons with U.S. data.” Poster Presentation. Human Biology Association Meetings. Minneapolis, Minnesota. April 2011.

“Hormones and human allocare: Evolutionary and proximate dimensions of a cooperative breeder.” Invited speaker. Department of Anthropology, University of Utah. Salt Lake City: Utah. January 2011.

“Hormones and human allocare: Evolutionary and proximate dimensions of a cooperative breeder.” Invited speaker. Department of Psychology and Social Neuroendocrinology speaker series, University of Michigan. Ann Arbor: Michigan. January 2011.

“The descent of dad’s sexuality.” Invited speaker. Department of Anthropology, UCSD. La Jolla, CA. April 2010.

“What happens when hormones are bound to evolution and socioecological context.” Grand Rounds Invited Speaker. UCSD Medical School, Division of Endocrinology and Metabolism. La Jolla, CA. April 2010.

“Human-pet dynamics in cross-cultural perspective.” Podium Presentation. American Association of Physical Anthropology Meetings. Albuquerque, New Mexico. April 2010.

“Investigating the effects of testosterone and its metabolites on personality, masculinity, depression, and sexual function among overweight men.” Poster Presentation. Human Biology Association Meetings. Albuquerque, New Mexico. April 2010.

“The descent of dad’s sexuality.” Invited speaker. Behavior, Evolution, and Culture Colloquium Series, UCLA. Los Angeles, CA. April 2010.

“Hormones, pair bonds, and parenting: evolutionary and cross-cultural perspectives on men.” Podium Presentation. Society for Personality and Social Psychology Meetings. Las Vegas, Nevada. January 2010.

“Hormones and human childcare: Evolutionary and proximate dimensions of a cooperative breeder.” Invited speaker. EvoS Seminar Series, Binghamton University. Binghamton, New York. November 2009.

“Testing the hormonal correlates of grandmothering in Jamaica.” Podium Presentation. Human Behavior and Evolution Society Meetings. Fullerton, California. May 2009.

“Health and the human dad.” Podium Presentation. Southwestern Anthropology Association Meetings. Las Vegas, Nevada. April 2009.

“Reproductive ecology travels to Jamaica: Hormones, dads, grandmas, and beyond.” Podium Presentation. Reproductive Ecology Symposium. Yale University. New Haven, CT. April 2009.

“Testing the hormonal correlates of grandmothering in Jamaica.” Podium Presentation. American Association of Physical Anthropology Meetings. Chicago, Illinois. April 2009.

“The descent of dad’s sexuality.” Poster Presentation. Human Biology Association Meetings. Chicago, Illinois. April 2009.

“No association between androgen and vasopressin 1a receptor polymorphisms and marital status or fertility among Ariaal male pastoralists of Kenya.” Podium Presentation. Society for Cross-Cultural Research Meetings. Las Vegas, Nevada. February 2009.

“The descent of dad’s sexuality.” Poster Presentation. American Anthropological Association Meetings. San Francisco, California. November 2008.

“The makings of a man: hormones, pair bonds and fatherhood.” School of Life Sciences Colloquium, University of Nevada, Las Vegas. October 2008.

“The makings of a man: hormones, pair bonds and fatherhood.” Biological Anthropology Colloquium Series, University of Colorado. Boulder, Colorado. April 2008.

“The makings of a man: hormones, pair bonds and fatherhood.” Invited Speaker, Department of Anthropology, University of Utah. Salt Lake City, Utah. February 2008.

“Human male testosterone, pair bonds and fatherhood: A review of the data.” Podium Presentation. Society for Cross-cultural Research. New Orleans, Louisiana. February 2008.

“Hormonal correlates of human paternal interactions: A hospital-based investigation in urban Jamaica.” Podium Presentation. Society for Scientific Anthropology Meetings. New Orleans, Louisiana. February 2008.

“The makings of a man: hormones, pair bonds and fatherhood.” Department of Anthropology Visiting Speaker. Cal State, Fullerton. October 2007.

“Neuroendocrinology of human fatherhood.” Podium Presentation. Human Behavior and Evolution Society Meetings. Williamsburg, Virginia. June 2007.

“Evolutionary endocrinology of human reproduction.” Invited speaker, Department of Anthropology, University of Indiana. Bloomington, Indiana. April 2007.

“Hormonal correlates of fatherhood in Jamaica.” Podium Presentation. American Association of Physical Anthropology Meetings. Philadelphia, Pennsylvania. March 2007.

“Investigating hormones and implicit social cognition: no relationships between salivary testosterone and cortisol and computer-based tests among Jamaican males.” Poster presentation. Human Biology Association Meetings. Philadelphia, Pennsylvania. March 2007.

“Testosterone and marriage among Ariaal men of northern Kenya.” Podium Presentation. American Association of Physical Anthropology Meetings. Anchorage, Alaska. March 2006.

“Erectile dysfunction and its correlates among the Ariaal of northern Kenya.” Podium Presentation. Human Biology Association Meetings. Anchorage, Alaska. March 2006.

“Effects of testosterone on sexual function, mood and visuospatial cognition in older men.” Podium Presentation. Endocrine Society Meetings. San Diego, California. June 2005.

“Fathers have lower salivary testosterone levels than unmarried men and married non-fathers in Beijing, China.” Podium Presentation. Human Behavior and Evolution Society. Austin, Texas. June 2005.

Session Co-organizer and Chair for “Recent developments in the biocultural study of masculinity.” American Anthropological Association Meetings. Atlanta, Georgia. December 2004.

“Human male body image in cross-cultural perspective: New data from Taiwan and Kenya.” Podium Presentation. American Anthropological Association Meetings. Atlanta, Georgia. December 2004.

“Human male testosterone variation viewed within a framework of mating and parenting effort.” Podium Presentation. American Association of Physical Anthropology Meetings. Tampa, Florida. April 2004.

“Pair bonding, parenting and human male testosterone variation.” Behavior, Evolution and Culture Colloquium Series, UCLA. Los Angeles, CA. October 2003.

“Sex differences in gambling?: Evolutionary and cross-cultural perspectives.” Podium Presentation. New England Biological Anthropology Symposium. Cambridge, Massachusetts. March 2003.

“Sociosexual correlates of testosterone levels.” Poster Presentation. Human Biology Association Meetings. Tempe, Arizona. April 2003.

“Marriage, parenting and testosterone variation among Kenyan Swahili men.” Podium Presentation. Human Behavior and Evolution Society. New Brunswick, New Jersey. June 2002.

“Fluctuating asymmetry among a foraging population: the Hadza of northern Tanzania.” Podium Presentation. Human Behavior and Evolution Society. Amherst, Massachusetts. June 2000.

RESEARCH EXPERIENCE

- Involvement in various studies entailing minimally invasive hormone sampling, questionnaire-based or naturalistic psychological and behavioral measures, cross-cultural survey, and/or Internet-based platforms, Las Vegas, Nevada, 2005-present.
- JAKids cohort study research team meeting, Kingston, Jamaica, October 2017
- Exploratory work with older men in Bengaluru, India and Platfontein, South Africa, May-June 2016.
- Survey and ethnographic research on fatherhood, St. Kitts, Caribbean, June-July 2014.
- Fatherhood project supervision and data analysis, Kingston, Jamaica, July 2012.
- Fatherhood project supervision, interviews, and data analysis, Kingston, Jamaica, September 2011.
- Survey administration and ethnographic research, St. Kitts, Caribbean, August 2010.
- Biological sample collection, interviews and project (hormones and grandmothering) supervision, Kingston, Jamaica, May-July 2008.
- Biological sample collection and project (hormones and paternal care) supervision, University Hospital of the West Indies, Jamaica, May-July 2006.
- Ethnographic, survey and endocrine research in east Africa (among Ariaal, nomads in Kenya, August 2004; Swahili of Kenya, March-May 2001; Hadza of Tanzania, July-August 1998).
- Neuropsychological testing at Charles Drew University: administering tests assessing verbal abilities, spatial cognition, short-term memory and other outcomes to determine if performance on these tests varies during testosterone interventions, December 2003-June 2005.

- Administering questionnaires and conducting salivary testosterone research among U.S. men, primarily from Boston area, July-October 2002, March-May 2000.
- Conducted salivary testosterone and cortisol assays in the Reproductive Ecology Laboratory at Harvard University, 2000-2003.
- Conducting research on resource conservation in Pacaya Samiria National Reserve, Peru, September-December 1996.

TEACHING EXPERIENCE

- Assistant/Associate/Full Professor at UNLV, Fall 2005-present
 - Introduction to Biological Anthropology
 - Evolution of Human Behavior
 - Evolution of Human Sexuality
 - Evolutionary Medicine
 - Introduction to Cultural Anthropology
 - Dogs, Cats, and Other Beasts: Anthropology of Animals (Online Education format)
 - Anthrozoology: Dogs, Cats and Human-Animal Interaction (Honors College)
 - Making Mankind: Sex, Status and Male Studies (Online Education format)
 - Hormones and Behavior
 - Anthropology and Ecology
 - Seminar: Current Thoughts in Physical Anthropology
 - Seminar: Evolution and Human Reproduction
 - Core Seminar II: Archaeology and Physical Anthropology
- UNLV Singapore, Summer 2011, Summer 2012
 - Introduction to Physical Anthropology
- Lecturer, UCLA Extension School, Fall 2004
- Teaching Fellow at Harvard University, Cambridge, MA, for the following classes:
 - Biology of Aggression, Spring 2003.
 - Evolution of Human Nature, Fall 2002, Spring 2002.
 - Human Behavioral Biology, Fall 2000, Fall 1999, Fall 1998.
 - Social Relationships, Spring 2000.
- Course Reader for "Rainforest Conservation Ecology", Spring 1999, at Harvard Extension School.

GRADUATE ADVISORY COMMITTEES

Ph.D. Committee Chair

Timothy McHale	Anthropology, UNLV	In progress
Lyndsey Craig	Anthropology, UNLV	In progress
Michelle Escasa-Dorne	Anthropology, UNLV	Fall 2012
	<i>Sociosexuality, Mate Preferences, and Sex Steroid Hormone Levels among Breastfeeding Women in Manila</i>	

M.A. Committee Chair

Carol Franco	Anthropology, UNLV	In progress
Antoinette Izzo (co-chair)	Anthropology, UNLV	Fall 2015
	<i>Identity as a Predictor of Affective Response in Monogamous and Polyamorous Individuals</i>	
Shelly Volsche	Anthropology, UNLV	Summer 2015
	<i>An Investigation into Human to Dog Attachment Systems and their Influence on the Degree of Aversion Used in Training</i>	
Dana Foster	Anthropology, UNLV	Spring 2013
	<i>Women's Responses to Male Sexual Infidelity in Jamaica</i>	

Heidi Manlove	Anthropology, UNLV <i>Polycystic Ovary Syndrome (PCOS) in Urban India</i>	Spring 2011
<i>Ph.D. Member</i>		
Matthew Martinez	Anthropology, UNLV	In progress
Shelly Volsche	Anthropology, UNLV	In progress
Trevor Pollom	Anthropology, UNLV	In progress
Shane Westfall	Psychology, UNLV	In progress
Mandy Walsh	Psychology, UNLV	In progress
Stephany Molina	Psychology, UNLV	In progress
Joy Immak	School of Life Sciences, UNLV	In progress
Joshua Corum	Sociology, UNLV	In progress
Meghan Pierce	Psychology, UNLV	Spring 2017
Sharon Young	Anthropology, UNLV	Summer 2016
Teofilo Reyes	Human Development, Univ. of Chicago	Fall 2014
Taylor Oliver	Psychology, UNLV	Spring 2014
Joseph Margotta	School of Life Sciences, UNLV	Spring 2014
Michael Gordon	Public Affairs, UNLV	Fall 2013
Theodore Ransaw	College of Education, UNLV	Spring 2012
Fred Kuch	Educational Psychology	Spring 2012
E. Tom Steiner	Psychology, UNLV	Spring 2011
Diane Nell-Hardgrave	Anthropology, UNLV	Spring 2010

M.A. Member

Kristen Herlosky	Anthropology, UNLV	In progress
Leisze Lapping-Carr	Psychology, UNLV	Spring 2016
Stephany Molina	Psychology, UNLV	Fall 2015
Laura Gryder	Anthropology, UNLV	Summer 2015
Drew Bennett	Film, UNLV	Spring 2014
Jacqueline Casey	Anthropology, UNLV	Fall 2013
Shannon Eakins	Art, UNLV	Spring 2012
Julie Kachinski	Anthropology, UNLV	Spring 2010
Chrisalbeth Guillermo	School of Community Health Sciences, UNLV	Spring 2010
David Lezniewski	Anthropology, UNLV	Fall 2009
James Munkres	Anthropology, UNLV	Spring 2009
Ryan Schmidt	Anthropology, UNLV	Fall 2006
Lucha Pfister	Anthropology, UNLV	Summer 2006

SERVICE

Professional

- Consulting editor for *Human Nature*, 2016-present
- Associate editor for *Evolutionary Psychology*, 2014-present.
- Editorial board for *Adaptive Human Behavior and Physiology*, 2014-present.
- Editorial board for *Fathering*, 2012-2015.
- The Kinsey Institute, Faculty Affiliate, 2014-present.
- Local organizing committee member, Society for Cross-Cultural Research, 2012.
- Program committee and local liaison, Society for Cross-Cultural Research, 2009.
- Nominations committee, Human Biology Association, 2010-2012.
- Invited panelist for National Science Foundation, 2011-2013, 2015, 2017.
- External tenure case reviewer: 2013, 2014.
- Ad hoc Reviewer for *African Health Sciences*, *African Journal of Biochemical Research*, *Aggressive Behavior*, *Aging: Clinical and Experimental Research*, *American Anthropologist*, *American Journal of Men's Health*, *Animal Behavior and Cognition*, *Annals of Human*

Biology, American Journal of Human Biology, American Journal of Physical Anthropology, Archives of General Psychiatry, Biological Psychology, Biological Reviews, Biology Letters, BMC Infectious Diseases, Cambridge University Press, Clinical Interventions in Aging, Contemporary Economic Policy, Cross-Cultural Research, Culture, Health and Sexuality, Current Anthropology, Elsevier/Academic Press, Ethnoarchaeology, Evolution and Human Behavior, Evolution, Medicine, and Public Health, Evolutionary Anthropology, Evolutionary Psychological Science, Gerontology, SDE/GWIS (Graduate Women in Science), Harvard University Press, Hormones and Behavior, Human-Animal Interaction Bulletin, Human Ethology Bulletin, Human Nature, Jacob's Foundation, Journal of Adolescent Health, Journal of Gerontology: Social Sciences, Journal of Homosexuality, Journal of Men's Studies, Journal of Sex and Marital Therapy, Journal of Social and Personal Relationships, Journal of Urology, Journal of Women's Health, Kinsey Institute, LSB Leakey Foundation, McGraw Hill, Medical Anthropology, Medical Anthropology Quarterly, MIT Press, National Science Foundation, Netherlands Organization for Scientific Research, Neuroscience and Biobehavioral Reviews, New York Academy of Sciences, Pearson, Pediatrics, Personality and Individual Differences, Personal Relationships, Philosophical Transactions of the Royal Society of London B, Physiology and Behavior, PLoS ONE, Princeton University Press, Proceedings of the National Academy of Sciences, Proceedings of the Royal Society of London B, Psychological Science, Psychological Review, Psychoneuroendocrinology, Religion, Brain and Behavior, Social Biology, Social Influence, Social Science and Medicine, Social Problems, Springer Verlag, Swiss National Science Foundation, University Press of New England, and W.W. Norton.

- Member of the American Anthropological Association, American Association of Physical Anthropologists, American Association of Human Biologists, Human Behavior and Evolution Society, and Society for Cross-Cultural Research.

University/College

- Graduate College executive council, 2013-present
- GPSA faculty advisor, 2012-2017
- Graduate Council chair, 2015-2017
- Calvert undergraduate library research award judge, 2015, 2016
- GPSA research forum judge, 2009-present (six times)
- UNLV School of Dental Medicine, student research day judge, 2014
- Faculty marshal at graduation, 2006-present (eight times)
- Appeals committee, 2014-present
- UNLV personnel and program review committee, 2014-2016
- Liberal Arts program review committee, 2009-2012
- Liberal Arts campus affairs committee, 2009-2012

Department

- Graduate coordinator, 2015-present
- Website committee, 2013-present
- Graduate curriculum review committee, 2015-present
- Graduate assessment committee, 2014-2016
- Retreat committee, 2007-2015
- Colloquium committee, 2006-2015
- Anthropology Society faculty advisor, 2010-2011
- Anthropology Society and Lambda Alpha, guest presentations, 2006-present
- Undergraduate curriculum review committee, 2005-2007

- Faculty search committees: member on four committees (2006-present), two of these as chair (2013, 2014-2015)
