Dear Employee:

We are pleased to announce that ComPsych® is your new provider of GuidanceResources® services. Your ComPsych® GuidanceResources® benefits will give you and your dependents confidential support, resources and information for personal and work-life issues. These services are provided at no charge to you. These services include:

Confidential Counseling
Life can be stressful. Your EAP is designed to provide short-term counseling services for you and your dependents to help you handle concerns constructively, before they become major issues. Call anytime about concerns such as marital, relationship and family problems; stress, anxiety and depression; grief and loss, job pressures and substance abuse.

Work-Life Solutions
Too much to do, and too little time to get it all done? The work-life specialists at ComPsych® can do the research for you and provide qualified referrals and customized resources for child and elder care, moving, pet care, college planning, home repair, buying a car, planning an event, selling a house and more.

Legal Support
With your ComPsych® GuidanceResources® program, you have an attorney “on call” whenever you have questions about legal matters. Speak with on-staff licensed attorneys about legal concerns such as divorce, custody, adoption, real estate, debt and bankruptcy, landlord/tenant issues, civil and criminal actions and more. If you require representation, you can be referred to a qualified attorney for a free 30-minute consultation and a 25 percent reduction in customary legal fees.

Financial Information
Everyone has financial questions. With your ComPsych® GuidanceResources® benefit, you can get answers about budgeting, debt management, tax issues and other money concerns from on-staff CPAs, Certified Financial Planners® and other financial experts, simply by calling your toll-free number.

GuidanceResources® Online
Go online to access timely, expert information on thousands of topics, including relationships, work, school, children, wellness, legal, financial and free time. You can search for qualified child and elder care, attorneys and financial planners, as well as ask questions, take self-assessments and more.
