Date: February 8, 2021

To: All University Employees

From: Office of Human Resources – Benefits

Subject: Save the Date for NSHE Retirement Week!

Hello, colleagues,

NSHE and TIAA will host a virtual retirement week **February 22 - 26, 2021.**

Retirement week is a great time to think about your personal savings plan and learn more about NSHE’s retirement plans.

NSHE and TIAA will host webinars focused on a variety of topics that provide important information and pose questions to help you with your retirement plans. There is something for everyone - whether you are just starting your career or thinking about retirement. Each session is unique. Attend one or all. [Webinar descriptions](#) and registration information are posted on the [UNLV Benefits website](#).

Did you know that in addition to the mandatory retirement plans offered by NSHE to benefits eligible employees, there are also voluntary retirement savings options available?

All benefits eligible employees can enroll in a [403(b) tax sheltered plan](#) administered by TIAA or the [457 deferred compensation plan](#) administered by VOYA through payroll deduction. Employees can enroll at any point and are able to defer pretax or after-tax income to retirement savings. Log in to [Workday](#) and view the "Change Retirement Savings" job aid for instructions.

TIAA and VOYA have financial consultants available to assist employees virtually with investment options and financial questions. To schedule an appointment, visit the [TIAA website](#) or the [VOYA website](#). [Annual contribution limits](#) are established by the IRS.
