**OVERVIEW**

The Clark County Water Reclamation District is seeking a Social Media Intern. The Clark County Water Reclamation District is responsible for treating wastewater through a variety of treatment processes that is ultimately discharged back to Lake Mead. The internship program works with students to further their knowledge in a variety of disciplines, including (but not limited to): Engineering, Computer Science, Laboratory (Biology or Chemistry), Geoscience, Earth and Environmental Science, Finance and Accounting. We provide a hands on experience that allows the interns to utilize their knowledge in practical day-to-day operation of an environmental facility.

**INTERNSHIP ROLES AND RESPONSIBILITIES**

Finance and Accounting Intern would work with the Clark County Water Reclamation District’s divisions of budget, general bookkeeping, reconciliation, payables and receivables, period end closing and financial reporting. The work is varied and provides great exposure to the students’ studies.

**REQUIRED SKILLS AND EDUCATION**

Honors College student enrolled at UNLV and working towards a degree in one of the fields listed in our application. This prepares the intern to be able to actively participate in the work of their program.
