Paid Internship Opportunity

Intern, Clark County Water Reclamation District

**Posting ID:** HCPD-091018-a

**Employer Name:** Clark County Water Reclamation District

**Employer Website:** [www.cleanwaterteam.com](http://www.cleanwaterteam.com)

**Internship Job Title:** Intern I, II, III, IV

**Internship Location:** 5857 E Flamingo Road, Las Vegas, NV 89122

**Salary:** $15-$18 an hour depending on class standing and/or internship level (Note: Paid internships are not for course credit)

**Required Hours:** 10-20 hours a week

**Seeking Majors In:** Accounting, Finance, Engineering, Biology and Chemistry

**Class Standing:** Freshman, Sophomore, Junior or Senior

**OVERVIEW**

The Clark County Water Reclamation District is responsible for treating wastewater through a variety of treatment processes that is ultimately discharged back to Lake Mead. The internship program works with students to further their knowledge in a variety of disciplines, including: Engineering, Laboratory (Biology or Chemistry), Finance and Accounting. We provide a hands on experience that allows the interns to utilize their knowledge in practical day-to-day operation of an environmental facility.

**INTERNSHIP ROLES AND RESPONSIBILITIES**

To work in an area of their program performing tasks in the various areas of the Plant and administration. Duties can include:

1. **Laboratory interns (chemistry or biology)** conduct tests and analyze water samples for compliance with the Nevada Department of Environmental Permit.

2. **Engineering interns** work side-by-side with Engineers on planning and development projects which includes reviewing plans and modeling; Design interns work on new projects for facility upgrades and pipes installation in the roadway; Construction Management interns work with Engineers and public contractors to ensure the facilities are being built in accordance with engineering plans.

3. **Finance and Accounting** involves working with the various divisions, including: Budget, general bookkeeping, reconciliation, payables and receivables, period end closing and financial reporting.

In all areas of the District, the work is varied and provides great exposure to the students’ studies.

**REQUIRED SKILLS AND EDUCATION**

Honors College student working towards a degree in one of the fields listed in our application. This prepares the intern to be able to actively participate in the work of their program.

**HOW TO APPLY**

To apply, please email your resume/CV, transcripts, and a cover letter to Brenda Pappas, Assistant General Manager, at bpappas@cleanwaterteam.com. The deadline for submitting application materials is ongoing.
