Company: Barrick Gold

Position Type: Full-Time

Company Website: https://barrick.com/

Work Location: Las Vegas, NV

Salary: DOE

College Major(s): Computer Science (CS)

College Level(s): Undergraduate-Junior, Undergraduate-Senior

OVERVIEW

It's your future. Go for Gold!

Our vision is the generation of wealth through responsible mining — wealth for our owners, our people, and the countries and communities with which we partner.

We aim to be the leading mining company focused on gold, growing our cash flow per share by developing and operating high quality assets through disciplined allocation of human and financial capital and operational excellence.

By joining Barrick, you'll be a valuable member of a friendly, diverse and high-achieving team. Our commitment to supporting career aspirations means genuine opportunities for a rewarding and exciting career that only a world-class gold mining company can provide.

Roles and Responsibilities

- Responsible for maintaining documentation and standards
- Work with various team members to resolve issues
- Provides entry level service and infrastructure support
- Research and troubleshoot related issues in timely and accurate fashion.
- Other duties as assigned.

Education and Qualifications

In order to be considered for an internship with Barrick, you must meet all of the following qualifications:

- Must be minimally classified as an incoming Junior for the Fall 2019 semester (proof of enrollment required).
- Must have a cumulative GPA of 3.0 or higher (transcripts required).
- Can have a maximum of two (2) internships with Barrick Gold - combined sites (this does NOT include summers as working for Barrick as a Summer Student).
• Must be able to pass Barrick’s pre-employment physical, which includes drug and alcohol testing as well as metals testing (where applicable).
