OVERVIEW

The Las Vegas Valley Water District is a not-for-profit agency that began providing water to the Las Vegas Valley in 1954. Today, the Las Vegas Valley Water District delivers reliable, quality water—tested and treated in state-of-the-art facilities—to more than 1 million people in one of world's most dynamic communities.

Roles and Responsibilities
Provide support for water quality and treatment projects.

Education and Qualifications
Current enrollment within a undergraduate or graduate degree program related to Civil or Environmental Engineering.

• Current enrollment with a minimum of nine credit hours per semester.
• Available to work up to twenty-five hours per week Monday through Thursday.
• US citizenship or legal right to work in the US, including authorization to work off campus.
• A valid driver's license and the ability to maintain insurability under the Water District Vehicle Insurance Policy.
