CNC MACHINIST

Posting ID: EM1870400F

Company: MK Fluidic Systems

Position Type: Full-Time

College Major(s): Mechanical Engineering (ME)

Company Website: https://www.mkfluidicsystems.com/

Work Location: Summerlin

Salary: Starting $14/hour

College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior, Alumni

OVERVIEW

MK Fluidic Systems manufactures OEM syringes, valves, tubing kits and probes for the healthcare and analytical science industries. Our goal is to provide the highest value products.

We specialize in serving the OEM marketplace and have designs available that are compatible with a large variety of instruments. We engineer and manufacture precision fluid control components and systems.

Roles and Responsibilities

Operating CNC lathes/screw-machines. G-code, tool design, and machine setup as future responsibilities and learning opportunities.

Education and Qualifications

Simple math, geometry, and basic metrology.
