

2020 - 2021 Credit Proration Form

A. Student Information

Last Name: _____ First Name: _____ MI: _____

Student NSHE: _____

B. Course Information

Federal Regulations require that Federal Direct Stafford Loans must be prorated under two circumstances:

- when a student's academic program is shorter than an academic year; or
- when a student's remaining period of study is shorter than an academic year (for example, when a student is graduating after fall semester and will not be enrolling in spring).

Per information on file, you meet one of the above circumstances and thus we are required to prorate your loan based on the number of credits you will be taking. If you will not be graduating during the semester you have indicated, you will need to contact UNLV Enrollment Services Office (SSC-C) to request a change to your expected graduation date.

Please list below the courses you will be enrolled in during the last semester of your undergraduate career at UNLV and be sure to mark the one semester below that you will be attending during the 2020-2021 academic year. If you will be attending multiple semesters then you do not need to complete this form but must contact Enrollment Services as indicated above to update your graduation date.
