STATEMENT OF PURPOSE

The purpose of this policy is to:

- Maintain a safe and secure information technology environment.
- Meet best practices for information technology security standards.

ENTITIES AFFECTED BY THIS POLICY

Entities affected by this policy include all UNLV employees.

WHO SHOULD READ THIS POLICY

All UNLV employees should read this policy.
Policy

Staff awareness and education are key preventative factors to a secure information technology environment. All university employees must complete a UNLV-approved annual Cyber Security training program.

New employees must complete the Cyber Security training program within the first 30 days of hire. All employees must complete a UNLV-approved annual refresher course.

Visit the UNLV Cyber Security Training website at https://www.it.unlv.edu/it-training/oit-workshops for information about current training/learning opportunities.
