

Department of Mathematical Sciences (DMS)

Application for Math Placement Examination Form

Student Information

Name: _____ Date: _____
NSHE ID: _____ Major: _____
Phone: _____ Email: _____

Eligibility** (please check all that apply)

- The exam only allows placement into UNLV MATH 120, 122, 124, 126, 127, 128, and 132
- I have taken SAT, and wish to better my placement. If so, report score: _____
- I have taken ACT, and wish to better my placement. If so, report score: _____
- I have not taken the UNLV DMS placement exam within the last 3 months
- I have not previously taken a math course from a NSHE institution (such as CSN, NSC, etc.)
- I have not transferred a math course from an accredited college or university

**** It is the student responsibility to determine eligibility or seek clarification. While it may be possible for an ineligible student to sign up and take the placement exams, the exam score can be inadmissible and will not be uploaded into the system.**

Steps to take the Math Placement Exam

STEP 1: Pick up this form from the DMS front office (CDC Building 8) or download online.

STEP 2: Complete and submit this form to the DMS front office between 8:30 AM and 2:30 PM to schedule an appointment.

STEP 3: On the day of the exam, come to the DMS front office with a government issued ID or Rebel Card. This is a written exam, of 36 questions, and will be provided testing materials. Electronics (such as cell phones, calculators, etc.) and backpacks will not be allowed in the testing room and can be left in a designated area. The test will be administered for an hour and a half.
