## OVERVIEW

Are you a natural at math? If the idea of working with students brightens your day, you might be the right person for us! This is not your standard tutoring center and we aren't looking for your standard tutor.

We are a privately owned math tutoring studio located in Henderson. Besides our upbeat and positive environment, we have a dedicated team, and amazing students. Our tutors work one on one with students in private workspaces and have an assortment of cutting edge, technology-based resources available to them. You will excel and so will your students!

This opportunity is perfect for a college student or someone just exiting college. We can work around your school schedule with our abundant studio hours.

Our salaries are very competitive and experience will be factored in as well!

### Roles and Responsibilities

Assist, evaluate, motivate, develop and integrate their students in learning.

Be comfortable interacting with students ranging in age from 5 to adult.

Keep accurate and detailed student reports for each student, and provide information about progress, evaluations and notable incidents.

### Education and Qualifications

Qualified candidates will have:

Mastery of Algebra I, II, and Geometry. Pre-calculus and Calculus are a plus.

A passion for numbers and love math!

A professional demeanor

A strong sense of accountability and responsibility

An ability to problem solve, be resourceful, and be proactive

Comfort in using technology, proficiency in Apple products is a plus

**Preferred Skills**

Excellent interpersonal and organizational skills, an ability to work under pressure and attention to detail.
